

SCHOOL-BASED HEALTH AND SOCIAL SERVICES

Because good physical and mental health is critical to a student's ability to learn, the Board of Trustees believes that all students should have access to comprehensive health and social services. The Board desires to collaborate with local health, mental health and social service providers in order to offer integrated services at or near District schools.

(cf. 1020 - Youth Services)

The District may provide preventive, diagnostic, therapeutic and/or rehabilitative health services on an outpatient basis at school sites. The District shall serve as a Medi-Cal provider to the extent feasible, shall comply with all related legal requirements and may be reimbursed to the extent allowed under the Medi-Cal billing option for local educational agencies.
