

TEMPORARY/SUBSTITUTE PERSONNEL

Hiring

The Board of Trustees may employ substitute certificated personnel to fill positions of regularly employed persons absent from service. (Education Code 44917)

Substitute personnel may be employed on an on-call, day-to-day basis.

In addition, after September 1 of any school year, the Board may employ substitute personnel for the remainder of the school year for positions for which no regular employee is available. The District shall first demonstrate to the Commission on Teacher Credentialing the inability to acquire the services of a qualified regular employee. (Education Code 44917)

During the period of their preferred right to reappointment, permanent and probationary certificated employees who have been laid off due to a reduction in force shall be offered prior opportunity for substitute service. (Education Code 44955, 44956, 44957)

(cf. 4117.3 - Personnel Reduction)

Classification

The Board may classify as a temporary employee a teacher who is employed at least one semester and up to one school year. Persons whose service begins in the second semester and before March 15 may be classified as temporary employees even if employed for less than a semester. The Board shall determine the number of persons who shall be so employed based on the absence of regular employees due to leaves or long-term illness. (Education Code 44920)

The Board also shall classify as temporary employees those certificated persons, other than substitute employees, who are employed to:

1. Serve from day to day during the first three months of any semester to teach temporary classes which shall not exist after that time, or perform any other duties which do not last longer than the first three months of any semester (Education Code 44919)
2. Teach in special day and evening classes for adults or in schools of migratory population for not more than four months of any semester (Education Code 44919)
3. Serve in a limited assignment supervising student athletic activities provided such assignments have first been made available to teachers presently employed in the District (Education Code 44919)

(cf. 4127/4227/4327 - Temporary Athletic Team Coaches)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

4. Serve in a position for a period not to exceed 20 working days in order to prevent the stoppage of District business during an emergency when persons are not immediately available for probationary classification (Education Code 44919)

5. Are employed only for the first semester because the District expects a reduction in student enrollment during the second semester due to midyear graduations (Education Code 44921)

At the time of employment and each July thereafter, the Board shall classify substitute and temporary employees as such. (Education Code 44915, 44916)

Each new substitute and temporary employee shall receive a written statement at the time of initial employment during each school year indicating his/her employment status and salary. This statement shall clearly indicate the temporary nature of employment and the length of time for which the person is being employed. (Education Code 44916)

The Superintendent or designee shall ensure that substitute and temporary employees are appropriately trained, assigned, oriented and evaluated.

(cf. 4113 - Assignment)

(cf. 4115 - Evaluation/Supervision)

Qualifications for Special Education

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

A non-credentialed person shall not substitute for any special education certificated position. (Education Code 56060)

A person holding a valid credential authorizing substitute teaching may serve as a substitute for a special education teacher for a period not to exceed 20 school days unless, upon application by the District, a 20-day extension is approved by the Superintendent of Public Instruction. In extraordinary circumstances the District may seek an extension longer than 20 days. (Education Code 56061)

In placing substitute teachers in special education classrooms, the District shall give first priority to substitute teachers with the appropriate special education credential and second priority to substitute teachers with any other special education credential. If no substitute with a special education credential is available, the District shall use a substitute teacher with a regular teaching credential. (Education Code 56062)

The Superintendent or designee shall recruit and maintain lists of appropriately credentialed substitute teachers. He/she shall contact institutes of higher education with approved special education programs for possible recommendations of appropriately credentialed special education personnel. (Education Code 56063)

Salary/Benefits

The Board shall adopt and make public a salary schedule setting the daily or pay period rate(s) for substitute employees for all categories or classes of certificated employees of the District. (Education Code 44977, 45030)

If an employee who was previously laid off due to a reduction in force serves as a substitute employee for 21 days or more within a period of 60 school days, he/she shall receive compensation at a rate equal to or greater than the amount he/she would have received upon reappointment. (Education Code 44956)

Substitute and temporary employees shall not participate in the health and welfare plans or other fringe benefits of the District.

Granting Probationary Status

With the exception of on-call, day-to-day substitutes, any substitute or temporary employee who performs the duties normally required of certificated employees for at least 75 percent of the school year shall be deemed to have served a complete school year as a probationary employee if employed as a probationary employee for the following school year. (Education Code 44918)

(cf. 4116 - Probationary/Permanent Status)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

Temporary employees hired pursuant to #1 above to teach temporary classes or perform other certificated duties not expected to last more than the first three months of any semester, or to teach special day and evening classes for adults or in schools for migratory populations for the first four months of a semester, shall be classified as probationary employees if the duties continue beyond the those time limits. (Education Code 44919)

Temporary employees hired pursuant to #5 above to teach only the first semester due to anticipated midyear graduations shall be classified as probationary employees for the entire school year if the employment continues beyond the first semester. (Education Code 44921)

Release from Employment/Dismissal

The Board may dismiss substitute employees at any time at its discretion. (Education Code 44953)

The Board may release temporary employees at its discretion if such employees have served less than 75 percent of the school year. Temporary employees who have served 75 percent or more of the school year may be released as long as such employees are notified before the end of the school year of the District's decision not to reelect them for the following school year. (Education Code 44954)

Reemployment Rights

With the exception of on-call, day-to-day substitutes, a temporary or substitute employee who served at least 75 percent of the previous school year and who was not released pursuant to Education Code 44954 prior to the end of the school year shall be reemployed for the following school year to fill any vacant positions in the District. (Education Code 44918)

With the exception of on-call, day-to-day substitutes, temporary or substitute employees who were released pursuant to Education Code 44954 but who have nevertheless served for two consecutive years, for at least 75 percent of each year, shall receive first priority if the District fills a vacant position for the subsequent school year at the grade level at which the employee served during either year. In the case of a departmentalized program, the employee shall have taught the subject matter in which the vacant position occurs. (Education Code 44918)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

Persons employed for only the first semester because of anticipated midyear graduations shall be reemployed to fill any vacant positions in the District for which the employee is certified. Preference for available positions shall be determined by the Board as prescribed by Education Code 44845 and 44846. (Education Code 44921)
