

PROFESSIONAL GROWTH

The Board of Trustees recognizes its obligation to help teachers meet their responsibility for fulfilling the professional growth requirements of their credentials. The Board expects that the increased competence attained by these teachers during their professional growth activities will contribute significantly to the District's educational program.

The Superintendent or designee shall maintain procedures for the selection of professional growth advisors. These procedures shall be designed to provide for the best possible match between teachers and advisors.

In the bargaining agreement the unit maintains responsibility for assigning professional growth advisors to teachers needing credential renewal.

Professional growth activities shall remain in accordance with provisions of negotiated employee contracts.
