

CERTIFICATION OF TEACHER EVALUATORS

It is the intent of the governing Board to certify that personnel assigned to evaluate teachers have demonstrated competency in instructional methodologies and evaluation of instruction. The Superintendent shall determine a program leading to certification and shall recommend to the Board qualified evaluators of instruction. Performance Standards established as a result of this policy shall be communicated to all affected individuals.

The certification standards utilized by the Superintendent shall include, but not be limited to, the following:

1. Demonstrated knowledge of (1) evaluation procedures in force in the District; (2) District standards of expected pupil achievement; (3) appropriate instructional techniques; (4) District curricular objectives; and (5) what constitutes a suitable learning environment.
2. Demonstrated competence in (1) instructional methodologies; and (2) evaluation processes.

Any dispute over whether District administrators have met the District standards shall be resolved by the governing Board. Such a determination shall be within the sole discretion of the Board.

The Superintendent shall cause the governing Board to undertake an annual review of this policy.
